**I would like to take this opportunity to say Thank You to everyone who has helped me over the past 4 years. Without all of you guiding me, giving helpful advice and just being there whenever I needed you, it would have been very difficult. You have a new Board coming in and I know we will all be in the best of hands. I will be there to help them as you were there for me. I am truly blessed to have all of you in my life.**

**Blessings from your Board**
